

BEECHCRAFT B1900D

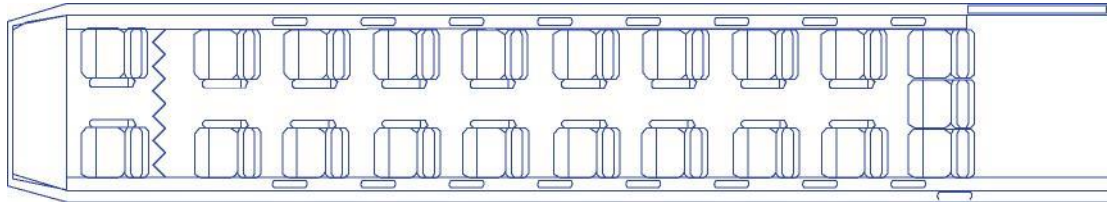

One of the world's most popular regional commuters, the Beechcraft B1900D has what it takes to reliably transport up to 19 passengers quickly and comfortably to airstrips with relatively short runways. The B1900D offers a standup cabin allowing enhanced comfort and freedom of movement inside the cabin. The flexibility and reliability of the twin turbine engine B1900D means this aircraft is suitable to fulfill many types of roles.
